Arriving from the east

- Follow the A40 from Carmarthen to St. Clears.
- When approaching St Clears (before the main roundabout), there is an exit into St Clears, turning left off the A40.
- Follow the road around the tight bend and take the first left towards St. Clears High Street
- Cross the bridge and take the second left exit (down the hill and past the Market Hall vets)
- Head straight over the traffic lights and up a small hill before turning right, signposted Llangynin/ Llanboidy.

- Follow the road for approximately 4 miles to Llangynin.
- You will drive into Llangynin, up the hill and pass a series of bungalows on your left hand side.
- After the last bungalow on the left hand side, there is a turning to the left (signposted as a no through road).
- Follow the single track road for approximately 1 mile right to the very end. There are a few turns along the road but just keep to the road and we are the last farm on the right hand side. The following images have been provided to assist, or if you do get stuck, please do not hesitate to contact us on the above details.

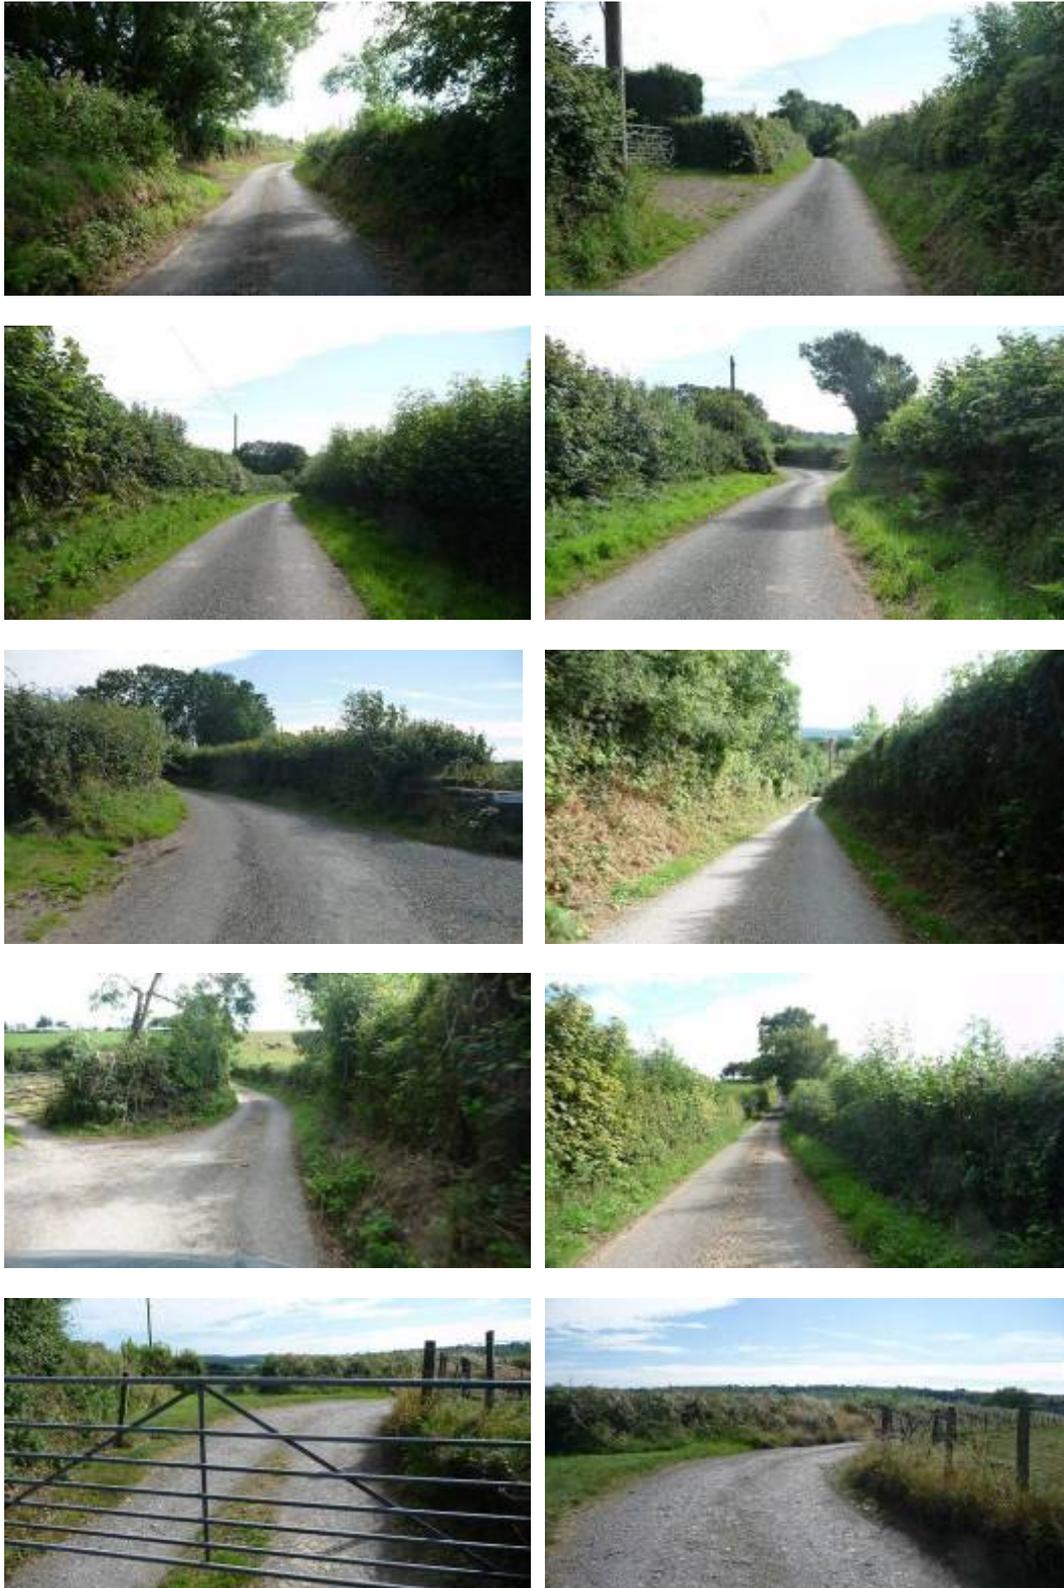

- Bungalows travelling through Llangynin

- The lane is about one mile so here are some images to follow (or simply follow it to the very end farm ☺)

- If you are using a Sat Nav the post code to use is SA33 4LA. However the Sat Nav will take you to the neighbouring farm LlwynCelyn. It is very simple to find us from LlwynCelyn, simply stay on the road and carry on up the hill until you see the gated entrance (signed posted Llwyntreharne)

Welcome and we hope you enjoy your stay ☺
